Report on District Level Neighbourhood Youth Parliament

Topic	:	**District Level Neighbourhood Youth Parliament**
Venue	:	SIET
Date & Time	:	**1st March 2024**
Conducted for	:	Students

Branch	**Faculty attended**
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) hosted the **District Level Neighbourhood Youth Parliament** to engage youth in the democratic process and empower them to become active and informed citizens. The event was organized under the aegis of [Nehru Yuva Kendra Andhra Pradesh], aimed at providing a platform for students to discuss issues of national importance, express their views, and simulate the functioning of the Indian Parliament.

Report

Objectives of the Event

- To raise awareness about the democratic process and parliamentary procedures.
- To provide a platform for youth to debate and discuss relevant social, economic, and political issues.
- To foster leadership, public speaking, and critical thinking skills among students.

1. • **Inaugural Session**

   The programme began with an opening address by the Principal, who welcomed the distinguished guests and participants. The event's significance was highlighted, emphasizing the role of youth in shaping the future of the country. Key speakers included local officials and representatives from the Ministry of Youth Affairs, who underscored the importance of active participation in the democratic process.

2. **Youth Parliament Simulation**
   - A mock Parliament session was held, where students took on the roles of Members of Parliament (MPs).
   - The session was structured with debates on various national and regional issues, including **education, healthcare, environmental sustainability, and youth empowerment**.
   - Each participant presented their views and argued for solutions to pressing problems, mimicking the formal procedures of a parliamentary session.

IQAC

Principal
Srinivasa Institute of Engineering and Technology
UGC-Autonomous Institution
NH-216, Cheyyeru(V), Amalapuram

3. **Theme-based Discussions**
   - Students were divided into smaller groups to discuss specific themes related to national issues. They prepared short presentations on topics such as:
     - **The role of youth in nation-building.**
     - **Sustainable development and climate change.**
     - **The impact of technology and digital transformation on society.**
     - **Youth employment and skill development.**
   - The discussions allowed for in-depth analysis and provided students the opportunity to voice their opinions on these important subjects.

4. **Interactive Sessions and Workshops**
   - Experts from various fields conducted workshops on topics such as **public speaking**, **leadership development**, and **the structure of Indian democracy**.
   - These sessions equipped participants with the skills needed for effective participation in future parliamentary or governance roles.

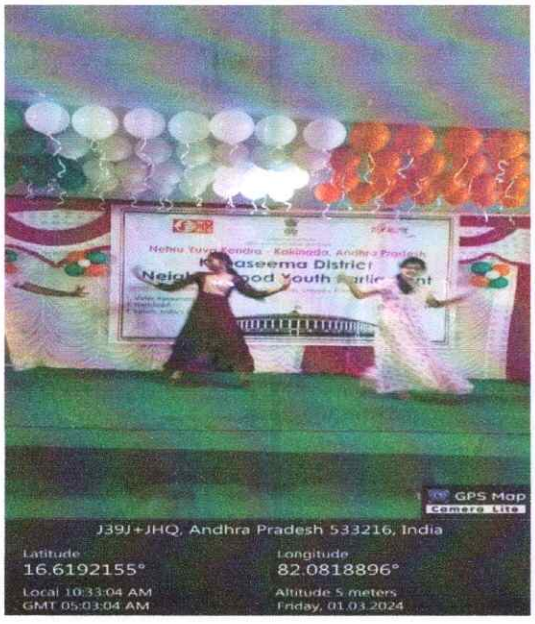

5. **Debates and Q&A Sessions**
   - A series of debates were held on topics such as "The impact of social media on youth activism" and "The role of government in promoting sustainable development."
   - An open Q&A session allowed students to ask questions to panelists and experts, fostering a rich exchange of ideas.

6. **Cultural and Artistic Performances**
   To close the event, students presented patriotic songs and dances that reflected the diversity and unity of India. These performances added a celebratory touch to the event, emphasizing the importance of national pride.

Conclusion

The **District Level Neighbourhood Youth Parliament** at SIET was a major success in fostering democratic values, leadership skills, and critical thinking among the youth. The event allowed students to experience the workings of the Indian Parliament firsthand and instilled a sense of civic responsibility. It also provided a platform for young individuals to contribute to discussions on national issues, thus nurturing the leaders of tomorrow.

Report on Free Dental Camp

Topic	:	FREE DENTAL CAMP
Venue	:	SIET
Date & Time	:	**20 June 2023**
Conducted for	:	Students

Branch	**Faculty attended**
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) recently hosted a Free Dental Camp in collaboration with the expert dental team from KIMS Hospitals. The camp was organized as part of the institution's commitment to community health and well-being, benefiting students, faculty, and the local community.

Report

Srinivasa Institute of Engineering and Technology (SIET) recently hosted a Free Dental Camp in collaboration with the expert dental team from KIMS Hospitals. The camp was organized as part of the institution's commitment to community health and well-being, benefiting students, faculty, and the local community.

The event took place on June 20, 2023 offering a comprehensive range of dental services, including oral health checkups, dental hygiene awareness, and free consultations. The experienced dentists from KIMS educated participants about the importance of maintaining good oral hygiene, proper brushing techniques, and preventive care to avoid common dental issues.

The initiative saw a tremendous turnout, with participants expressing gratitude for the opportunity to receive expert dental care at no cost. The interactive sessions with doctors helped clear doubts and provided valuable tips for long-term dental health.

Principal CH Parameswara Rao and other faculty members of SIET thanked KIMS for their collaboration and highlighted the importance of such initiatives in fostering a healthier society. The camp not only provided immediate dental care but also inspired many to adopt healthier lifestyle practices.

3. Feedback from students:

The free dental camp organized at Srinivasa Institute of Engineering and Technology in collaboration with KIMS doctors was met with enthusiastic participation and appreciation from students. Here's what some of them had to say:

1. **"Informative and Helpful"**
   "The camp was very informative. The doctors explained the importance of oral hygiene and gave useful tips on maintaining dental health. I learned a lot about preventive care."
2. **"Friendly Doctors"**
   "The doctors were approachable and friendly. They patiently answered all my questions and provided a clear diagnosis of my dental issues. It was a great experience!"
3. **"Convenient and Beneficial"**
   "Having this camp on campus was very convenient. I didn't have to travel far for a consultation. It saved time and encouraged me to prioritize my oral health."

Report on International Aids Day

Topic	:	**International Aids Day**
Venue	:	SIET
Date & Time	:	**1st December 2023**
Conducted for	:	Students

Branch	Faculty attended
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) observed **International AIDS Day** with a series of educational and awareness activities to promote understanding about HIV/AIDS and reduce stigma associated with the disease. The event aligned with this year's global theme, **"Equalize"**, focusing on eliminating inequalities that perpetuate the AIDS epidemic.

Report

Objectives of the Event

- To raise awareness about HIV/AIDS and its prevention.
- To educate students and staff about the importance of early diagnosis and treatment.
- To reduce stigma and foster a supportive environment for affected individuals.
- **Inaugural Address**
  The event commenced with an address by the Principal, emphasizing the importance of education in combating HIV/AIDS and the role of youth in creating an inclusive society.
- **Expert Sessions**
  - A medical professional from Janakalyan Welfare Association conducted an interactive session on:
    - The basics of HIV/AIDS, including transmission and prevention.
    - The significance of regular testing and early treatment.
    - Myths and misconceptions about HIV/AIDS.
  - A counselor highlighted the psychological impact of the disease and the importance of empathy and support for those living with HIV.
- **Awareness Rally**
  Students and faculty participated in an on-campus rally carrying placards and banners with messages such as "Know Your Status" and "Stop Stigma, End Discrimination."

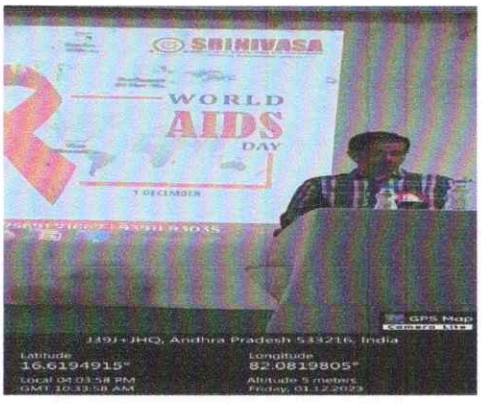

IQAC

Principal
Srinivasa Institute of Engineering and Technology
UGC-Autonomous Institution
NH-216, Cheyyeru(V), Amalapuram

- **Poster Presentation and Skits**
  - Students presented creative posters depicting the causes, effects, and preventive measures of HIV/AIDS.
  - A skit showcased the journey of an individual living with HIV, highlighting the challenges they face and the importance of community support.
- **Red Ribbon Campaign**
  - Participants wore red ribbons to show solidarity with people living with HIV/AIDS.
  - Informational pamphlets about HIV/AIDS prevention and care were distributed.
- **Free Testing and Counselling Camp**

  A free HIV testing and counselling camp was set up in collaboration with Janakalyan welfare association , offering confidential testing and professional guidance.

Report on International Day of Yoga

Topic	:	**International Day of Yoga**
Venue	:	SIET
Date & Time	:	**5th June 2023**
Conducted for	:	Students

Branch	Faculty attended
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) celebrated International Day of Yoga with great enthusiasm and active participation from students, faculty, and staff. The event highlighted the importance of yoga in promoting physical and mental well-being, aligning with this year's theme, **"Yoga for Wellness."**

Report

• Inauguration **Ceremony** The event commenced with an inaugural address by the principal, who emphasized the significance of incorporating yoga into daily life. He encouraged everyone to adopt yoga as a means to achieve holistic health and stress management.

• Yoga **Session** A trained yoga instructor conducted a comprehensive session covering various asanas (poses), pranayama (breathing techniques), and meditation practices. Participants enthusiastically followed the instructor, demonstrating their dedication to learning and performing yoga.

- Warm-up exercises to prepare the body for yoga
- Popular asanas such as Surya Namaskar (Sun Salutation), Trikonasana (Triangle Pose), and Vajrasana (Thunderbolt Pose)
- Breathing techniques like Kapalabhati and Anulom-Vilom
- A calming meditation session to conclude the practice

• Health **Benefits of Yoga Talk**

A guest speaker, an expert in yoga and wellness, delivered an insightful talk on the numerous physical and mental health benefits of practicing yoga regularly.

• Cultural **Performances**

Students showcased their talents through yoga-themed cultural performances, including skits, dance, and poetry recitations that depicted the transformative power of yoga.

IQAC

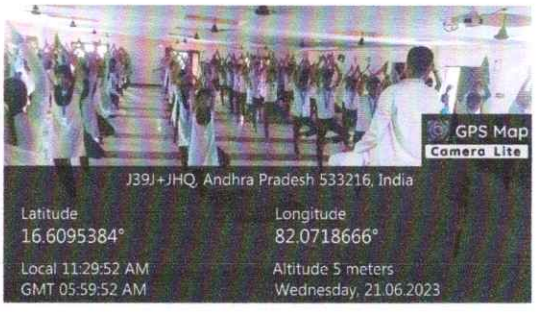

Principal
Srinivasa Institute of Engineering and Technology

Report on Legal Literacy Camp

Topic	:	**Legal Literacy Camp**
Venue	:	SIET
Date & Time	:	**26 June 2023**
Conducted for	:	Students

Branch	**Faculty attended**
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) successfully organized a **Legal Literacy Camp** in collaboration with mandal legal society mumidivaram. The camp aimed to educate students, faculty, and the local community about their legal rights, duties, and the functioning of the judicial system.

Report

Objectives of the Camp

- To raise awareness about fundamental rights and responsibilities as citizens of India.
- To provide knowledge about essential laws related to cyber safety, consumer protection, workplace rights, and more.
- To encourage individuals to seek legal assistance when required.

Event Highlights

1. **Inauguration**
   The camp was inaugurated by a prominent legal expert, who delivered an inspiring address on the importance of legal literacy in empowering individuals and promoting justice in society.
2. **Legal Awareness Sessions**

   Experts from the legal field conducted interactive sessions on various topics, including:

   - **Cyber Laws and Online Safety:** Understanding digital rights and protecting oneself from cybercrimes.
   - **Consumer Protection Act:** Insights into consumer rights and redressal mechanisms.
   - **Workplace Laws:** Awareness about employee rights, workplace harassment, and labor laws.
   - **Women's Rights and Safety:** Discussion on laws protecting women against violence and discrimination.

3. **Q&A and Interactive Discussions**
   Participants actively engaged with the speakers, asking questions and seeking clarifications on various legal matters. Real-life examples and case studies were presented to enhance understanding.
4. **Distribution of Informational Material**
   Booklets and pamphlets containing simplified information about basic laws and legal aid resources were distributed to all attendees.
5. **Legal Aid Desk**
   A dedicated legal aid desk was set up at the venue to provide free consultations and address individual legal queries.

Report on *Mega Blood Donation Camp*

Topic	:	***Mega Blood Donation Camp***
Venue	:	SIET
Date & Time	:	**30th October 2023**
Conducted for	:	Students

Branch	**Faculty attended**
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) organized a **Mega Blood Donation Camp** in collaboration with [***Police Commemoration Day -Mega Blood Donation*** Red Cross Society, Local Hospital]. The camp aimed to contribute to saving lives by encouraging voluntary blood donation and raising awareness about its importance.

Report

Objectives of the Camp

- To promote the spirit of selflessness and community service.
- To educate students and staff about the significance of blood donation in saving lives.
- To support hospitals and blood banks in maintaining an adequate blood supply.

Event Highlights

1. **Inaugural Ceremony**

   The camp began with an inaugural address by the principal, who highlighted the life-saving impact of blood donation and the vital role of youth in such initiatives. Special guests from Police department mumidivaram shared insights into the ongoing need for blood donations in healthcare.

2. **Blood Donation Drive**
   - A team of skilled medical professionals set up a well-equipped donation center at the venue.
   - Over 50 **units** of blood were collected during the day, surpassing expectations.
   - Donors were provided with a medical check-up before donation to ensure their eligibility.

IQAC

3. **Awareness Sessions**
   Short informational talks by healthcare professionals emphasized:
   - The health benefits and myths surrounding blood donation.
   - The frequency and safety of donating blood.
   - The critical role of donated blood in emergency and surgical procedures.
4. **Recognition of Donors**
   - All donors received certificates of appreciation as a token of gratitude.
   - Special acknowledgments were given to frequent and first-time donors.
5. **Refreshments and Care**
   Donors were provided with refreshments and rest facilities to ensure their well-being post-donation.

Report on Meri Mati Mera Desh- Azadi Ka Amrit Mahotsav

Topic	:	**Meri Mati Mera Desh- Azadi Ka Amrit Mahotsav**
Venue	:	SIET
Date & Time	:	**13th October 2023**
Conducted for	:	Students

Branch	Faculty attended
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) proudly celebrated **"Meri Mati Mera Desh"** as part of the nationwide initiative **Azadi Ka Amrit Mahotsav** to honor the heroes of India's freedom struggle and instill a sense of patriotism and pride among students, faculty, and the community. The event was a blend of activities emphasizing the significance of our cultural heritage, sustainable development, and the sacrifices of our ancestors for the nation.

Report

Objectives of the Event

- To commemorate India's 75 years of independence.
- To create awareness about the sacrifices made by freedom fighters.
- To promote environmental and cultural consciousness among participants.

Event Highlights

1. **Inaugural Ceremony**
   The celebration began with the lighting of the lamp by the Principal and distinguished guests, followed by a welcome address emphasizing the importance of patriotism and environmental stewardship. A tribute was paid to the martyrs through a moment of silence.
2. **"Panch Pran" Pledge**

   Students and faculty members collectively took the "Panch Pran" pledge to uphold the principles of sustainability, unity, and respect for the nation's cultural heritage.

3. **Mega Plantation Drive**
   - Over **500 saplings** of indigenous species were planted across the campus and nearby areas to promote greenery and sustainability.

IQAC

Principal
Srinivasa Institute of Engineering and Technology
UGC-Autonomous Institution
NH-216, Cheyyeru(V), Amalapuram

- The initiative symbolized the connection between nurturing the environment and honoring the sacrifices of freedom fighters.

4. **Cultural Performances**
   - Students presented patriotic songs, dances, and skits highlighting the freedom struggle and the importance of unity in diversity.
   - A special poetry recitation session focused on India's rich heritage and progress since independence.
5. **Soil Collection Drive**
   - Soil was collected from the campus and surrounding areas as a symbolic gesture of unity and respect for the motherland.
   - The soil was to be sent for the creation of a commemorative monument as part of the national initiative.
6. **Guest Lecture**

   A prominent historian and guest speaker delivered a talk on the unsung heroes of the Indian freedom movement and the role of youth in shaping the nation's future.

7. **Exhibition**
   A student-led exhibition displayed models, charts, and artifacts celebrating India's journey through 75 years of independence and its vision for the future.

Report on Meri Mati Mera Desh- Mega Plantation Drive

Topic	:	**Meri Mati Mera Desh- Mega Plantation Drive**
Venue	:	SIET
Date & Time	:	**09th August 2023**
Conducted for	:	Students

Branch	Faculty attended
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) organized a **Mega Plantation Drive** under the national initiative **"Meri Mati Mera Desh"** to promote environmental sustainability and instil a sense of responsibility towards nature among students, faculty, and the local community.

Report

Objectives of the Plantation Drive

- To raise awareness about the importance of afforestation and environmental conservation.
- To contribute to the nationwide campaign for creating a greener and healthier environment.
- To encourage students to take active roles in preserving natural resources.

Highlights of the Event

1. **Inauguration Ceremony**

The event began with an inaugural address by the Principal of SIET, who emphasized the role of trees in combating climate change and preserving biodiversity. Special guests from Chayyuru Panchayathi President and local environmental activists were also present to lend their support to the cause.

2. **Tree Plantation Activity**
   - Over **500 saplings** of native species, including neem, banyan, mango, and tamarind, were planted across the campus and nearby areas.
   - Students, faculty, and local residents enthusiastically participated in the plantation activity.
   - Special care was taken to plant species that are suitable for the region's climate and soil conditions.

IQAC

Principal
Srinivasa Institute of Engineering and Technology
UGC-Autonomous Institution

3. **Awareness Talks and Workshops**

A series of short talks and workshops were conducted to educate participants about:

- The importance of maintaining green cover.
- Proper methods for planting and nurturing trees.
- The environmental and societal benefits of sustainable practices.

4. **Pledge for Environmental Conservation**

   Participants took an oath to protect the environment, conserve natural resources, and ensure the growth and survival of the planted saplings.

5. **Cultural Activities**

   Students showcased their creativity through eco-themed cultural performances, including songs, skits, and posters that highlighted the importance of nature conservation.

Participation and Impact

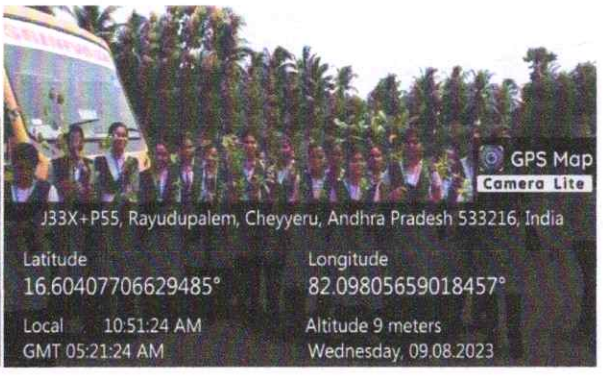

The drive witnessed active participation from over 100 **individuals**, including students, faculty, and local community members. The enthusiasm and teamwork displayed by everyone underscored their commitment to environmental preservation.

Report on National Constitution Day

Topic	:	**National Constitution Day**
Venue	:	SIET
Date & Time	:	**26th November 2023**
Conducted for	:	Students

Branch	**Faculty attended**
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) celebrated **National Constitution Day** with great enthusiasm to honor the adoption of the Indian Constitution and spread awareness about its significance among students, faculty, and staff. The event highlighted the importance of constitutional values such as justice, liberty, equality, and fraternity.

Report

Objectives of the Event

- To commemorate the adoption of the Indian Constitution on November 26, 1949.
- To educate participants about the values enshrined in the Constitution.
- To instill a sense of civic responsibility and patriotism.

• Inaugural **Session**

The celebration began with the lighting of the lamp and a welcome address by the Principal, who emphasized the relevance of constitutional principles in today's society.

• Reading **of the Preamble**

- Students and faculty collectively read the Preamble of the Indian Constitution, reaffirming their commitment to its ideals.
- The activity served as a reminder of the fundamental rights and duties of every citizen.

• Expert **Lecture**

A guest lecture by a legal expert from [Insert Name of Institution/Organization] provided insights into:

- The making of the Indian Constitution and the contributions of Dr. B.R. Ambedkar.
- The importance of fundamental rights and duties.
- The role of citizens in upholding constitutional values.

IQAC

Principal
Srinivasa Institute of Engineering and Technology
UGC-Autonomous Institution
NH-216, Cheyyeru(V), Amalapuram

- Quiz **Competition**

  - A quiz competition on the Indian Constitution and its key provisions was conducted, engaging students in a fun and educational manner.
  - Winners were awarded certificates and prizes to recognize their knowledge and enthusiasm.

- Poster **Exhibition**

  - Students showcased creative posters and artwork depicting the themes of justice, equality, and democracy.
  - The exhibition highlighted the enduring relevance of constitutional principles in modern India.

- Cultural **Program**

  - A short skit depicted the historical events leading to the framing of the Constitution.
  - Patriotic songs and dances celebrated India's democratic spirit.

- Pledge **Ceremony**

Participants took a pledge to uphold the values of the Constitution and contribute to nation-building through their actions.

Report on *Voter Awareness Programme*

Topic	:	***Voter Awareness Programme***
Venue	:	SIET
Date & Time	:	**14th February 2024**
Conducted for	:	Students

Branch	**Faculty attended**
Number of students	400
Total	400

Profile

Srinivasa Institute of Engineering and Technology (SIET) organized a **Voter Awareness Programme** as part of the national initiative to increase voter participation and civic responsibility. The programme aimed at educating students and staff about the importance of voting, the election process, and how to make an informed decision during elections. The event aimed to create awareness among the youth, who constitute a significant portion of the electorate, about their fundamental rights and duties.

Report

Objectives of the Event

- To promote awareness about the right to vote and its significance in a democracy.
- To encourage young voters, especially students, to register and vote.
- To educate participants about the election process, voting rights, and how to choose candidates responsibly.

• Inaugural **Address**

The event began with a welcome speech by the Principal, emphasizing the importance of voting in the democratic process and how each vote contributes to shaping the nation's future. Special guests from the Election Commission and local authorities were present to encourage participation and raise awareness.

• Interactive **Session on Voting Rights and Responsibilities**

- A session was conducted by an expert from the **Election Commission**.
- Topics discussed included:
  - The procedure for voter registration and the eligibility criteria.
  - The significance of informed voting and understanding the manifestos of political parties.
  - The process of casting a vote and ensuring a fair election.
- The speaker encouraged students to participate in the democratic process and explained the importance of being a responsible citizen.

- Voter **Registration Drive**

  - A voter registration booth was set up on campus, allowing students and faculty members to register as voters on the spot.
  - Volunteers assisted participants in completing the registration process and clarified any queries regarding voter IDs and eligibility.

- Quiz **and Debate Competition**

  - A quiz competition focused on the electoral process, fundamental rights, and Indian democracy was organized, with participants showcasing their knowledge about elections and voting laws.
  - A debate session followed, where students discussed the importance of voting and the role of the youth in shaping the nation's political landscape.

- Poster **Exhibition**

  - Students created posters and banners with catchy slogans such as "Vote for Change" and "Your Vote, Your Voice," which were displayed across the campus to motivate others to participate in elections.
  - The exhibition also included informative posters about voter rights and the election process.

- Distribution **of Pamphlets and Information**

  - Pamphlets and handouts containing information about voter registration, how to vote, and the importance of voting were distributed to all participants.
  - The materials were designed to provide easy-to-understand information for first-time voters.

- Pledge **Ceremony**

  - At the end of the event, students and staff took a pledge to be responsible voters, to encourage others to vote, and to participate actively in the electoral process.

Report on World Mental Health Day

Topic	:	**World Mental Health Day**
Venue	:	SIET
Date & Time	:	**10th October 2023**
Conducted for	:	Students

Branch	Faculty attended
Number of students	100
Total	100

Profile

Srinivasa Institute of Engineering and Technology (SIET) observed **World Mental Health Day** with a series of events and activities aimed at raising awareness about mental health issues and promoting emotional well-being among students, faculty, and staff. The event aligned with the global theme for the year, **"Mental Health is a Universal Human Right."**

Report

Objectives of the Event

- To reduce stigma surrounding mental health discussions.
- To provide practical tools and resources for emotional well-being.
- To create a supportive environment for individuals dealing with mental health challenges.

Highlights of the Event

1. **Inaugural Session**

The event was inaugurated by the Principal, who addressed the audience on the importance of mental health and its impact on academic performance, relationships, and overall quality of life. Special guests included psychologists and mental health experts from Health Department Dr B R Ambedkar Konaseema District

2. **Expert Talks and Workshops**
   - **Session on Stress Management:** A psychologist conducted an interactive workshop on recognizing stressors, managing academic and personal stress, and building resilience.
   - **Mental Health Awareness Talk:** An expert delivered a talk on identifying early signs of mental health issues and the importance of seeking help.
   - **Mindfulness and Meditation:** A guided mindfulness session helped participants experience the benefits of relaxation techniques for mental clarity.
3. **Panel Discussion**
   A panel discussion featuring mental health professionals, faculty, and students
